

Christmas Charades for Families and Friends

4-20 players | About 25 minutes | Ages 6+

PRINT & PREPARE

Print one card set and one host score sheet. Print single-sided on US Letter at 100% (actual size). For A4, choose Fit. Cut only pages labeled cut-out cards; dotted borders are cutting guides. Adults handle cutting.

GATHER

Paper slips, Pencils, Bowl.

SET UP

Write the prompts on slips and split players into two teams. Put the slips in a bowl and set a 60-second timer. Choose whether younger children may act with a partner.

HOW TO PLAY

1. One person draws and silently reads a prompt. Start the timer when they are ready.
2. The actor uses gestures only while their team guesses. No speech, humming, or writing letters is allowed.
3. A correct guess before the timer ends earns one point. Then the other team takes a turn.
4. Continue until everyone has acted twice. Add points and use one extra turn per team if you want to break a tie.

ADAPT IT

For an office party, use winter activities and gift-wrapping prompts so people can join without knowing specific traditions.

HOST NOTE

Read prompts aloud privately for emerging readers. Keep movement optional and allow seated acting.

Cut-out cards

Cut along the dotted borders. Fold cards if prompts should stay secret.
