

Christmas Stocking Memory Game

3-16 players | About 15 minutes | Ages 6+

PRINT & PREPARE

Print one host object list and one answer sheet per player. Print single-sided on US Letter at 100% (actual size). For A4, choose Fit. Cut only pages labeled cut-out cards; dotted borders are cutting guides. Adults handle cutting.

GATHER

Christmas stocking, Tray, Household objects, Paper, Pencils.

SET UP

Choose 12 safe objects and arrange them on a tray beside a stocking. Everyone should be able to see the full tray from where they sit.

HOW TO PLAY

1. Reveal the tray for 45 seconds while players silently observe. No writing yet.
2. Cover the tray with a cloth or move it out of sight.
3. Give everyone two minutes to list the objects they remember. Spelling does not matter.
4. Reveal the tray and award one point per correctly remembered object. Play a second round with different objects if desired.

ADAPT IT

Use six objects for young children. Increase to 16 for adults, or ask one bonus question about an object's color.

HOST NOTE

Use shatterproof objects and keep small items away from younger siblings. Do not use valuables or fragile decorations.

Host object checklist

Host only. Use safe objects without private information. Cover them before players write.
