

Easter Bunny Ear Drawing Challenge

3-14 players | About 15 minutes | Ages 5+

PRINT & PREPARE

Print one bunny drawing sheet per player and optional theme cards. Print single-sided on US Letter at 100% (actual size). For A4, choose Fit. Cut only pages labeled cut-out cards; dotted borders are cutting guides. Adults handle cutting.

GATHER

Paper, Washable markers, Timer.

SET UP

Seat everyone with a sheet of paper and a marker. The host will read drawing instructions one at a time. Players keep their eyes on their own page.

HOW TO PLAY

1. Ask everyone to draw a big oval bunny body in 15 seconds.
2. Add a head, two long ears, four paws, a fluffy tail, and an enormous carrot, giving 15 seconds per step.
3. For the final step, ask for one surprise detail such as sunglasses or roller skates.
4. Reveal drawings together and let every artist name their bunny. This activity has no winner or elimination.

ADAPT IT

For older players, use the nondominant hand for one round. Skip that twist for anyone who finds it frustrating or uncomfortable.

HOST NOTE

Avoid drawing blindfolded or balancing plates on heads. A seated drawing challenge is simpler and easier to join.

Bunny drawing themes

Cut along the dotted borders. Fold cards if prompts should stay secret.
