

# Easter Egg Color Sort Relay

4-12 players | About 15 minutes | Ages 5+

## PRINT & PREPARE

Print one set of basket labels per team. The matching cards can replace plastic eggs; print identical sets for all teams. Print single-sided on US Letter at 100% (actual size). For A4, choose Fit. Cut only pages labeled cut-out cards; dotted borders are cutting guides. Adults handle cutting.

## GATHER

Large plastic eggs, Baskets, Colored paper.

## SET UP

Give each team an identical mixed collection of large empty plastic eggs and several baskets marked with matching colors. Place baskets on a table near the team.

## HOW TO PLAY

1. The first player selects one egg and puts it in the matching basket, then returns to their place.
2. The next teammate sorts one egg. Continue taking turns until the collection is sorted.
3. Check baskets together. Move any misplaced eggs before calling the round complete.
4. The first team with a correct sort wins. Play a second round with colors assigned to different baskets.

## ADAPT IT

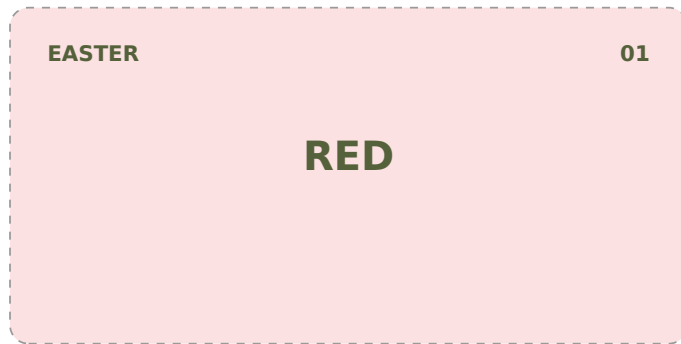

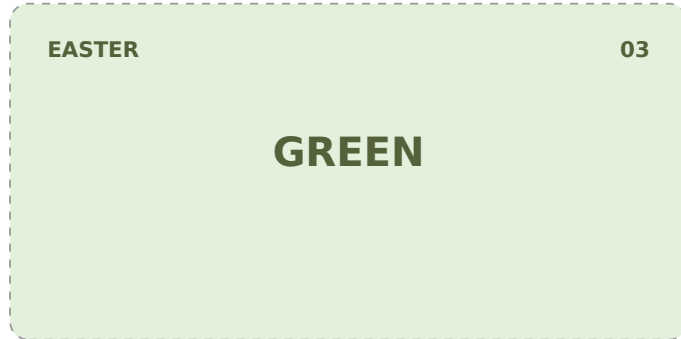

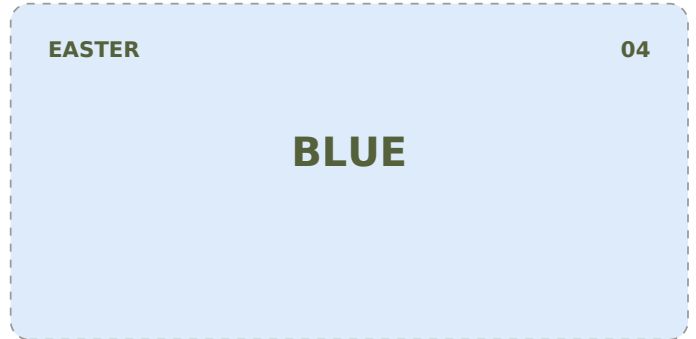

Use large colored paper cards if eggs are not available. For a seated version, pass one item around the table to the correct basket.

## HOST NOTE

Make it a walking or seated relay, never a race across a crowded room. Keep egg halves together and away from younger children.

# Basket labels

Cut and attach one label to each basket. Use both the color name and color on your eggs.

# Color-sort cards

These word cards can replace eggs. Print the same set for each team; sort by the printed word.

# Color-sort cards

These word cards can replace eggs. Print the same set for each team; sort by the printed word.
