

Party Icebreaker: Two Truths and a Tiny Fib

4-16 players | About 20 minutes | Ages 10+

PRINT & PREPARE

Print one statement sheet per player. Statements should be light and nonprivate. Print single-sided on US Letter at 100% (actual size). For A4, choose Fit. Cut only pages labeled cut-out cards; dotted borders are cutting guides. Adults handle cutting.

GATHER

Paper, Pencils.

SET UP

Invite everyone to write three short statements about themselves: two true and one invented. Keep examples light, such as hobbies, foods, or amusing everyday experiences.

HOW TO PLAY

1. The first person reads all three statements in any order.
2. Allow the group one minute to ask nonintrusive follow-up questions. The speaker may answer or pass.
3. Everyone votes for the statement they think is invented by holding up one, two, or three fingers.
4. Reveal the fib and invite a short story about one true statement. Continue around the group with no required scoring.

ADAPT IT

For coworkers, avoid statements about qualifications, performance, or confidential projects. Children can use favorites and simple experiences.

HOST NOTE

Tell people not to reveal anything they would rather keep private. The goal is a conversation starter, not catching someone out.

Two truths and a tiny fib

Write two true statements and one made-up statement in any order. Keep your answer private.
