

Fourth of July Red, White and Blue Categories

3-16 players | About 20 minutes | Ages 7+

PRINT & PREPARE

Print one color-category answer sheet per player and a host category-card set. Print single-sided on US Letter at 100% (actual size). For A4, choose Fit. Cut only pages labeled cut-out cards; dotted borders are cutting guides. Adults handle cutting.

GATHER

Paper, Pencils, Timer.

SET UP

Draw three columns on each sheet labeled red, white, and blue. Choose an everyday category for the first round, such as foods or things found at home.

HOW TO PLAY

1. Give players 90 seconds to write items that fit both the category and each color column.
2. Read answers together. Each valid item earns one point, whether or not someone else wrote it.
3. Do not score the same item twice in a single round unless it is genuinely a different example agreed by the group.
4. Play three categories and add the totals. A tie can remain a tie.

ADAPT IT

For young children, remove the category restriction and simply name colored objects. Play verbally in a circle if paper is inconvenient.

HOST NOTE

Avoid requiring brand knowledge or national trivia. Everyday observations let more guests participate.

Color-category cards

Cut along the dotted borders. Fold cards if prompts should stay secret.
