

Gratitude Guess Who for Thanksgiving

4-14 players | About 20 minutes | Ages 6+

PRINT & PREPARE

Print enough gratitude slips for two per player. Use one host guess tracker if scoring. Print single-sided on US Letter at 100% (actual size). For A4, choose Fit. Cut only pages labeled cut-out cards; dotted borders are cutting guides. Adults handle cutting.

GATHER

Paper slips, Pencils, Bowl.

SET UP

Give everyone two slips. On one, they write a small thing they are grateful for; on the other, a favorite everyday moment. Ask them to avoid names and highly private details.

HOW TO PLAY

1. Collect and mix all the slips. The host reads one aloud without showing the handwriting.
2. Everyone except the author writes the name of the person they think submitted it.
3. The author reveals themselves. Each correct guess earns one point. The author does not score on their own slip.
4. Read one slip from each person before moving to the second set. You can also skip scores and enjoy the stories.

ADAPT IT

Young children can dictate answers to a helper. For coworkers, keep prompts light and unrelated to personal finances or family circumstances.

HOST NOTE

Let people pass or replace a prompt. Gratitude games work best when nobody is required to disclose something emotional.

Gratitude slips

Print two slips per guest. Keep names off the front; tell the host privately which are yours.
