

Valentine's Drawing Telephone

4-12 players | About 25 minutes | Ages 8+

PRINT & PREPARE

Print one prompt-card set and one story sheet per player per turn. Keep earlier sheets hidden. Print single-sided on US Letter at 100% (actual size). For A4, choose Fit. Cut only pages labeled cut-out cards; dotted borders are cutting guides. Adults handle cutting.

GATHER

Paper, Pencils.

SET UP

Give each guest a small stack of paper with one sheet per player. On the first sheet, everyone writes a playful Valentine-themed sentence and their name on the back.

HOW TO PLAY

1. Pass stacks left. The next person reads the sentence and draws it on a new sheet, hiding the original underneath.
2. Pass again. The next player sees only the drawing and writes a sentence describing it on the next sheet.
3. Keep alternating drawing and writing until the stack returns to its original owner.
4. Reveal each chain from beginning to end. There are no points; enjoy how the idea changed.

ADAPT IT

For younger players, alternate spoken descriptions with drawings and use adult helpers to handle the stacks.

HOST NOTE

Use gentle prompts that do not pair up real guests romantically. Artistic skill is irrelevant.

Drawing telephone starters

Cut along the dotted borders. Fold cards if prompts should stay secret.
