New Year's Eve Prediction Envelopes

3-20 players | About 20 minutes | Ages 7+

PRINT & PREPARE

Print one prediction sheet per guest; use your own envelopes. Print single-sided on US Letter at 100% (actual size). For A4, choose Fit. Cut only pages labeled cut-out cards; dotted borders are cutting guides. Adults handle cutting.

GATHER

Paper, Envelopes, Pencils.

SET UP

Give each guest a sheet with five lighthearted prompts and an envelope. Decide whether predictions will be opened later that night or saved for a future gathering.

HOW TO PLAY

1. Ask everyone to write guesses that are playful and kind. Keep answers about themselves or neutral topics.

2. People may read one prediction aloud if they wish, then seal the rest in an envelope with their name.

3. If opening tonight, include immediate predictions such as the first snack to run out or the next song chosen.

4. At the chosen time, open and compare. Award a point per correct immediate prediction if you want a score; long-term hopes do not need judging.

ADAPT IT

For children, invite drawings instead of written answers. For an office event, use team traditions and harmless shared predictions.

HOST NOTE

Do not ask guests to predict pregnancies, relationships, income, health, or anyone else's private life.
